

使用步骤

Operating method

1. 设计好印章，打印在硫酸纸上，裁剪下来

Cutting printed vegetable parchment seal

2. 把设备电源接好，打开主开关，指示灯将会闪烁

Connect the power supply,press the main switch of operating board,the indicator light will shine

3. 依次将曝光膜，打印好的硫酸纸放(有文字一面朝下)到光敏垫上然后放到夹具内，

In turn exposure film,printed vegetable parchment(Note:a text face down) on the photosensitive mat and then into the fixture

4. 将准备好的夹具放到机器的抽屉内，放回机器内，按曝光开关，
Put back the fixture to machine,press"exposure startup"button

5. 等待机器工作完成将制作好的印章取出，

After finishing exposure , open the light cover, then take photosensitive cushion out

6. 制作完成。

Finish the work.
